BULLET RESISTANT COUNTER LINE SYSTEMS

BAFFLE DESIGN

ARCHED WINDOW DESIGN

SQUARE TOP DESIGN

Innovative counter line solutions for ballistic protection

PRODUCT DESCRIPTION

Counter Line systems, often referred to as bandit barriers, offer excellent aesthetics and voice transmission characteristics while providing a protective barrier and theft deterrent to protect employees and assets. Transactions can be performed in complete safety, protecting both the customer and employee with the use of a secure counter line system.

FEATURES

- Fabricated from UL 752 level 1, 2 or 3 Acrylic or Lexgard.
- Acrylic is available with or without SAR Coating
- Custom sizes and configurations available
- Shipped complete with all fasteners

CONSTRUCTION

Counterline systems can be customized in a number of ways to meet your security needs and match your business requirements. The design will incorporate speak-thru options, currency trays, package passers and bullet resistant transaction windows to ensure complete safety and security.

APPLICATIONS

- Banks
- Credit Unions
- Check Cashing Facilities
- Payment Centers
- Passport Offices
- Customer Service Counters

*Each end user should determine their ballistic threat and identify the appropriate product(s) to resist that threat.

The materials, products, and services of Insulgard™ Security Products, its subsidiaries and affiliates ("Seller") are sold subject to Seller's standard conditions of sale, which can be found at www.polymershapes.com and are available upon request. Although any information or recommendation contained herein is given in good faith, Seller makes no warranty or guarantee, express or implied, (i) that the results described herein will be obtained under end-use conditions, or (ii) as to the effectiveness or safety of any design incorporating seller's products, services or recommendations. Except as provided in Seller's standard conditions of sale, Seller shall not be responsible for any loss resulting from any use of its products or services described herein. Each user is responsible for making its own determination as to the suitability of Seller's products, services or recommendations for the user's particular use through appropriate end-use testing and analysis. Nothing in any document or oral statement shall be deemed to alter or waive any provision of Seller's Standard Conditions of Sale or this Disclaimer, unless it is specifically agreed to in a writing signed by Seller. No statement by Seller concerning a possible use of any product, service or design is intended, or should be construed, to grant any license under any patent or other intellectual property right of Seller or as a recommendation for the use of such product, service or design in a manner that infringes any patent or other intellectual property right. ©2020 Polymershapes LLC.
